HOMMAGE À BASQUIAT

MIKI GINGRAS ET PATRICK DIONNE

2019

Permanent artwork, made during a residency, in the winter of 2019, at the Du Vallon center de Papineauville in Quebec. Patrick and Miki were influenced by the words, images and collages that the students shared with them during their meetings. Tribute to Basquiat is a photographic work composed of personal images, graffiti and writing an iconography describing the lives of these adults in search of social change.
